📌 Key Takeaways

- ✅ **Fast Shipping = Freshness Maintained**
- ✅ **High Demand in Malaysia** → Drumstick is part of daily food use.
- ✅ **Air Cargo Works Best** → Less spoilage vs sea route.
- ✅ **Solid Profit Margins** → Even after heavy freight charges.

🚀 Pro Tips for Exporters

- Always use **cold chain logistics** for vegetables.
- Tie up with a **trusted CHA & air cargo handler**.
- Negotiate freight early for best deals.
- Focus on **packaging + quality checks** for repeat buyers.
